Excerpt from *Christ Our Pascha*

Human beings have a natural need for food and drink; food is necessary to support life. However, an excessive desire distorts a natural human need. This leads to the sin of gluttony, wherein food becomes an end in itself. There are various manifestations of this sin. The first of these is *excess in food and drink*. The Holy Fathers taught that food consumed in excess harms the soul. The second manifestation of gluttony is the *quest* for food and drink primarily for pleasure. A lack of self-control in eating and drinking leads to voraciousness in everything else, since one seeks to satiate the hunger and thirst of the soul by over indulging the body. Saint John Cassian notes: "We cannot possibly scorn the gratification of food presented to us, unless the mind is fixed on... the delight of things celestial." (# 759)

Who is Holy Wonderworker Apostle Abercius?

Saint Abercius, Bishop and Wonderworker of Hieropolis lived in the second century in Phrygia. The city of Hieropolis had many pagans and very few Christians. The saint prayed to the Lord for the salvation of their souls so they might be numbered among God's chosen flock. An angel appeared and bade Saint Abercius to destroy the pagan temple idols. He fulfilled the command of God with zeal. Hearing that the idol-worshippers wanted to kill him, the saint went to the place where the people had gathered and openly denounced the failings of the pagans. The pagans tried to seize the saint. At this moment three demon-possessed youths in the crowd cried out. The people were dumbfounded, as the saint expelled the devils from them by his prayers. Seeing the youths restored to normal, the people of Hieropolis asked Saint Abercius to instruct them in the Christian Faith, and then they accepted Holy Baptism. After this the saint went to the surrounding cities and villages, healing the sick and preaching the Kingdom of God. With his preaching he made the rounds of Syria, Cilicia, Mesopotamia, he visited Rome and everywhere he converted multitudes of people to Christ. For many years he guarded the Church against heretics, he confirmed Christians in the Faith, he set the prodigal upon the righteous path, he healed the sick and proclaimed the glory of Christ. Because of his great works, Saint Abercius is termed "Equal of the Apostles." Saint Abercius returned home to Hieropolis, where he soon rested from his labors. After his death, many miracles took place at his tomb. He wrote his own epitaph, and it was carved on his tombstone, which is now in the Lateran Museum.
