Reading and Explanation of Holy Scripture

The Word of God is received with faith, and faith comes from what is heard (see *Rom 10:17*). To understand the Holy Scriptures, it is necessary to join reading the Word of God with *hearing* that Word in homilies and catechesis. As related in the Acts of the Apostles, a steward of the Ethiopian queen was reading the prophecy of Isaiah about Christ, but he did not understand them until the apostle Philip explain their meaning to him. Thanks to this explanation, the steward believed in Jesus Christ and was baptized (see *Acts 8:26-39*)(#47)

Please remember those who have less – this frigid weather has been hard for those who have few resources. We will be collecting food items to be given to the local food pantry. Please show your thanks to God for what you have by sharing generously with others!
