**Reading and Explanation of Holy Scripture**

The content of Holy Scripture is discerned most fully in the light of Holy Tradition, by virtue of which the Holy Scriptures always remain relevant and living. To understand Holy Scripture is to discern within it the deepest content and meaning of Revelation as the history of salvation. This is possible only in the church, where it was born. The best guide to understanding Holy Scripture is the prayer of the Church, by means of which, by the action of the Holy Spirit, Holy Scripture is revealed to us as the Word of God. Christ appears in the Word, just as he appears in the Eucharistic Bread and Wine. For this reason, the Fathers of the Church teach us about two tables - the table of the Word and the table of the Bread - from which the faithful partake during the Divine Liturgy. (#50)

## *On Memorial Day, remember those who gave their lives for freedom!*

Heavenly Father, on this Memorial Day, we pray for all the souls of those who courageously laid down their lives for the cause of freedom. May the

example of their sacrifice inspire in us the selfless love of your Son, our Lord Jesus Christ. Bless the families of our fallen troops, and fill their homes and their lives with your strength and peace. In union with people of goodwill of every nation, embolden us to answer the call to work for peace and justice, and thus, seek an end to violence and conflict around the globe. We pray this through Christ our Lord. Amen
