May you see your Redeemer face to face, and enjoy the vision of God, forever. Amen.

Jesus Casts Out the Demons

What have I to do with You... I beg You, do not torment me! This was the demonic spirit within the possessed man, not the man himself. The demon did not want to leave the body he inhabited.

1. Demonic possession is when a demonic spirit resides in a human body, and at times will exhibit its own personality through the personality of the host body. Demonic possession is a reality today, though we must guard against either ignoring demonic activity or over-emphasizing supposed demonic activity.

2. We are not told specifically how a person becomes demon possessed, other than the inference that it must be by some sort of invitation, whether offered knowingly or not.

3. Superstition, fortunetelling, so-called harmless occult games and practices, spiritism, New Age deception, magic, drug taking and other things open doors of deception to the believer, and real

demonic danger to the unbeliever.

4. People often get involved in the occult or demonic things because there is something there that seems to work. Unfortunately it is not something at work, but a someone at work – a demonic spirit.

5. We can say that demons want to inhabit bodies for the same reason why the vandal wants a spray can, or a violent man wants a gun – a body is a weapon that they can use in their attack against God. Demons also attack men because they hate the image of God in man, so they try to mar that image, by debasing man and making him grotesque.

6. Demons have the same goal in Christians (to wreck the image of God) but their tactics are restricted; in regard to Christians, demonic spirits were disarmed by Jesus' work on the cross (Colossians 2:15), though they can both deceive and intimidate Christians, binding them with fear and unbelief.
