The Christ

Now, in the mystery of Christ's Baptism in the Jordan River, we again encounter and represent the truth of the Lord's incarnation and His manifestation as the Christ. Jesus' Baptism is in fact His definitive manifestation as the Messiah or Christ to Israel, and as the Son of the Father to the entire world. Here we find the dimension of the Epiphany which was His manifestation to all nations. The Father's voice from heaven shows that Jesus of Nazareth is the eternal Son and the descent of the Holy Spirit in the form of a dove shows the Trinitarian nature of the Christian God. The true and unique God, Father, Son, and Holy Spirit, shows Himself in Christ, through Him, with Him and in Him.

The Baptism in the Jordan returns to the great Christmas theme of "Christification", Jesus of Nazareth's spiritual anointing, His presentation

as the Anointed One par excellence, the Messiah or the One sent by the Father for the salvation of mankind. The Spirit that descended on Jesus shows and seals in an incontrovertible way the "Christification" of Jesus' humanity that the Word had already fulfilled from the first moment of His miraculous conception by Mary. Jesus, from the very beginning, was always the Lord's Christ, He was always God. Yet, His one, true humanity, that which is perfect in every way, as the Gospel records, constantly grew in natural and supernatural perfection. "And Jesus increased in wisdom, in stature, and in favor with God and with men" (Lk2:52). In Israel at 30 years of age, one reached full maturity and therefore could become a master. Jesus came of age and the Spirit, descending and remaining on Him, definitively consecrated His whole being as the Christ.
