Who is Saint Mary of Egypt?

A runaway at 12, Mary lived a life of sinfulness for 17 years. Out of curiosity, she travelled to Jerusalem, but when she tried to enter a church as others did, an unseen force stopped her. She suddenly became aware of her sinful ways, repented and was baptized that day. She retreated to live in solitude in the desert until her death many years later. St. Mary of Egypt is known for her conversion and dedication of her life to God, so many people see her as a model of repentance. As we find ourselves nearing the end of Great Lent and approaching Pascha, we need a reminder to re-focus and be penitent. We therefore, commemorate St. Mary on the Fifth Sunday in Great Lent, and are reminded of her repentance as we read about her life. St. Mary is also known for helping us in our struggles with chastity and sexual temptation.

Conventional Wisdom and the Lord's

Listen, friend, it's a dog-eat-dog world out there. You've got to do it to them before they do it to you.

But it cannot be like that with you ...

Always remember the golden rule: those who have the gold, make the rules.

But it cannot be like that with you ...

Remember: Never get mad. Get even.

But it cannot be like that with you ...

Take my advice, kid - Don't make waves. You've got to go along to get along. Keep your eyes open and your mouth shut.

But it cannot be like that with you ...

Charity is fine, but business is business. Always, always, always buy low and sell high.

But it cannot be like that with you ...

The drug users and the city scum - they deserve what happens to them. We work hard for what we've got - nobody is doing us any favors. Let them do the same. It can be done. Hey, look: You got to take care of your own.

But it cannot be like that with you ...

Jesus' admonition is almost a pleading: If you really understand Me and what I am about, if you really want to be My disciple, if you really seek to be worthy of My name, then you must see the world differently and respond to its challenges with a very different set of values. The world may try to justify vengeance rather than forgiveness, to glorify self-preservation over selflessness, to insist on preserving the system and convention for the sake of compassion and justice.

But it cannot be like that with you.
